

## GUDEPU MANJU LATHA

### Retaliation

Scorching sun over heads  
Is bathing bodies with perspiration  
Sighed farmers are making **Carry Beds**  
As the field work is at cessation

Abducted lakes have taken a new birth  
As elegant mansions and busy resorts  
Sand in rivers is not in dearth  
To rise constructions of all sorts

Nature annoyed by man's attrition  
Has become a diseased pregnant  
Seasons born promote starvation  
With fertility absent and hygiene deficient

How nice the world is to live in  
If everyone is a Wordsworth  
Endless Nature is His form unseen  
Worshipping Her is life's true worth
