

## Dibya Ranjan Giri

### Lake Of Tears

A poets soul pours out their word  
Into hearts needing to be heard  
And they tell it all within each line  
Giving others hope with a rhyme

All our emotions from intense fears  
Are captured into the lake of tears  
Spilling onto the pages as we cry  
Knowing our words will never die

Somehow everything comes to play  
With all the words we're meant to say  
And as we drown in this lake of ink  
We realize tears spell what we think

A poets work can never be complete  
For their soulful ink will never deplete  
Reaching the audience one by one  
Knowing their words touch someone

Though sometimes it hurts too much  
Poets inspire with their deadly touch  
Twisting the words in a special way  
Creating pure magic to take you away

Poets must lay everything on the line  
By dying on pages with their rhyme  
Bleeding out their souls for all to see  
And creating feelings to their poetry

## **Dibya Ranjan Giri**

---

Dibya is an electrical engineer specializing in power system and energy engineering. He writes poems and is based in Bhubaneswar, Odisha, India.
