Religious Myth

Humans pray for the good every day before the almighty;
They are given the equal right to ask for their need, religiously,
Are allowed to recount in equal voice to demand.

But why it is happening severally?

In separate rituals, separate dress codes, separate occupations,
separate concepts –

There exists no divine almighty anymore!

Then who is responsible for these?

The answer is – WE, the tranter of the society, creator of myths.

A man possesses only one religion, - HUMANITY
Religion can't be created or destroyed as it is, itself a power
For which humans are socialized, are bounden to duties,
Are RELIGIOUS till the end of their lives.
